

**You may check a GST number in the following way -**

**First you must know what the GST number is ?**

1. A GST no consists of 15 digits
2. For example we take a GST No. 08 **ABCDE9999F**1Z8
3. The first two digits indicate the state code, for Rajasthan it is 08.
4. Next 10 digits indicate the PAN number of Employer.
5. After PAN no, 13<sup>th</sup> digit indicates the number of firms linked with this GST
6. Last two digits is a unique number given to the firm.

Steps to check authenticity of GST Number

**if you doubt any GST given with an application -**

you may check firm's PAN (if given) with it's GST,

as in the above case the firm's PAN is ABCDE9999F (i.e. 3<sup>rd</sup> to 12<sup>th</sup> digit of GST)
